Employment to population ratio	↓↓		
Gdp per person employed	↑↑		
Self employment	↓↓		
Unemployment	↑↑		
Vulnerable employment	↓↓		
Wage and salaried workers	↑↑		
Contributing family workers	↓↓		

Total Correlated Factors: 36

Table 165: **Transmission Method Is: Food contamination** ↑

Access to electricity	↓
Renewable energy	↑
Energy intensity level	↑
Fertility of women	↑
Birth rate	↑
Fisheries production	↓
Cereal production	↓
Air transport	↓
Tele-communications	↓
Internet usage	↓
Methane emissions	↓
Nox emissions	↓
Compulsory education	↓
Primary school enrollment	↓
Secondary education	↑
Total area	↑
Employers	↓
Employment in agriculture	↑
Employment in industry	↓
Employment in services	↓
Gdp per person employed	↓
Self employment	↑
Unemployment	↑
Vulnerable employment	↑
Wage and salaried workers	↓
Contributing family workers	↑
Weather	↑
Mortality rate	↑
Number of deaths	↑
Life expectancy at birth	↓
Immunization	↓
Population density	↓
Prevalance of anemia	↑
Refugee population	↑
Rural population	↑
Survival to age 65	↓
Women in parliament	↓

Total Correlated Factors: 37

Table 166: **Transmission Method Is: Indirect contact** ↑

Access to electricity	↑↑
Renewable energy	↓↓
Energy intensity level	↓↓
Fertility of women	↓↓
Birth rate	↓↓
Agricultural land	↓↓
Fisheries production	↓↓
Air transport	↓↓
Tele-communications	↑↑
Internet usage	↑↑
Methane emissions	↓↓
Nox emissions	↓↓
Other green house gas emissions	↓↓
Compulsory education	↑↑
Primary school enrollment	↑↑
Secondary education	↓↓
Forest area	↓↓
Total area	↓↓
Employers	↑↑
Employment in agriculture	↓↓
Employment in industry	↑↑
Employment in services	↑↑
Employment to population ratio	↓↓
Gdp per person employed	↑↑
Self employment	↓↓
Unemployment	↑↑
Vulnerable employment	↓↓
Wage and salaried workers	↑↑
Contributing family workers	↓↓
Mortality rate	↓↓
Number of deaths	↓↓
Life expectancy at birth	↑↑
Immunization	↑↑
Population density	↑↑
Prevalance of anemia	↓↓
Refugee population	↓↓
Rural population	↓↓
Survival to age 65	↑↑
Women in parliament	↑↑

Total Correlated Factors: 39

Table 167: **Transmission Method Is: Insect bites** ↑

Access to electricity	↓
Renewable energy	↑
Energy intensity level	↑
Fertility of women	↑
Birth rate	↑
Agricultural land	↑
Cereal production	↓
Tele-communications	↓
Internet usage	↓
Methane emissions	↑
Nox emissions	↑
Other green house gas emissions	↑
Pre-primary and primary education	↓
Primary school enrollment	↓
Forest area	↑
Total area	↑
Employers	↓
Employment in agriculture	↑
Employment in industry	↓
Employment in services	↓
Employment to population ratio	↑
Gdp per person employed	↓
Self employment	↑
Unemployment	↓
Vulnerable employment	↑
Wage and salaried workers	↓
Contributing family workers	↑
Weather	↑
Mortality rate	↑
Number of deaths	↑
Life expectancy at birth	↓
Immunization	↓
Population density	↓
Prevalance of anemia	↑
Refugee population	↑
Rural population	↑
Survival to age 65	↓
Women in parliament	↓

Total Correlated Factors: 38

Table 168: **Transmission Method Is: Person to person** ↑

Access to electricity	↓
Renewable energy	↑
Energy intensity level	↑
Fertility of women	↑
Birth rate	↑
Fisheries production	↓
Cereal production	↓
Tele-communications	↓
Internet usage	↓
Methane emissions	↑
Nox emissions	↑
Other green house gas emissions	↑
Compulsory education	↓
Primary school enrollment	↓
Secondary education	↑
Total area	↑
Employers	↓
Employment in agriculture	↑
Employment in industry	↓
Employment in services	↓
Gdp per person employed	↓
Self employment	↑
Unemployment	↓
Vulnerable employment	↑
Wage and salaried workers	↓
Contributing family workers	↑
Mortality rate	↑
Number of deaths	↑
Life expectancy at birth	↓
Immunization	↓
Population density	↓
Prevalance of anemia	↑
Rural population	↑
Survival to age 65	↓
Women in parliament	↓

Total Correlated Factors: 35

Table 169: **Transmission Method Is: Pregnent women** ↑

Agricultural land	↑↑
Fisheries production	↑↑
Tele-communications	↑↑
Internet usage	↑↑
Co2 emissions	↑↑
Methane emissions	↑↑
Nox emissions	↑↑
Other green house gas emissions	↑↑
Compulsory education	↑↑
Secondary education	↓↓
Forest area	↑↑
Employers	↑↑
Employment in services	↑↑
Maternal death	↑↑
Population ages	↑↑
Rural population	↓↓
Urban population	↓↓
Women in parliament	↑↑

Total Correlated Factors: 18

Table 170: **Vaccine Status Is: Complicated** ⬆

Access to electricity	⬇
